Travel Like a Star...on a Budget

Eva Longoria and Tony Parker honeymooned in Turks & Caicos (Grace Bay Beach is at left), as did Ashlee Simpson and Pete Wentz. Jennifer Garner and Ben Affleck were married there and the list of celebrities who have visited this Caribbean outpost goes on and on. But don't think that means it's prohibitively expensive. "Traveling during the low season and scooping up a garden-view room at lavish properties are only a fraction of the cost," says Ralph Higgs, director of tourism at the Turks & Caicos Tourist Board.
