

A PARADISE
FOR YACHTING
AND FISHING

WHETHER YOU CRUISE OR FISH, TURKS AND CAICOS HAS IT ALL

The Turks and Caicos is the perfect place for you to own a second home and enjoy the good life. Step out the door to your yacht moored just out front, a few minutes from some of the best sports fishing on earth. Come ashore to relax on

one of our award-winning beaches and sample the islands' beachside fresh conch salad or cracked conch.

for repair and maintenance*

SLIPS FOR YACHTS UP TO 165 FEET

In the TCI yachtsmen find state of the art infrastructure and repair and maintenance services: a 20,000 pound marina forklift, 75 ton Travel Lift, fiberglass work, welding, bottom and topside painting, dry and wet storage, repair and repowering of engines and the rebuild and repair of props, rigging, running gear and transmissions. Our marinas have modern amenities and services with slips from 25 to 165', so we can accommodate almost any size boat.

BRING YOUR OWN YACHT, OR CHARTER FROM A LOCAL EXPERT

Whether you own your own boat or care to go out with one of our expert local charter companies, the Turks and Caicos offer more than 1500 species of fish, among them some of the biggest and most combative billfish on the planet.

TCI's many channels, mangroves and coral reefs are a marine life greenhouse, and make us one of the world's top 20 billfish destinations. Between May and September, fishermen can get 4-5 hookups a day, and fights of 30 minutes to 4 hours of blue marlin females up to 800 and

males up to 300 pounds. At the beginning of July come to our annual billfish tournament, held to IGFA rules.

ONE OF THE TOP BILLFISH DESTINATIONS IN THE WORLD

Fish tuna year-round, though most frequently from April to November. Right offshore hook blackfin, little tunny and slapjack as well.

Wahoo and mahi-mahi, caught from November to March, make big game fishing a year-round sport in TCI. Speeding their 6 feet and 180 pounds through the sea at up to 65 mph, Wahoo will give the best sports fishermen an intense and unforgettable fight. The Mahi-mahi bull's 80 pounds of vivid blues, yellows and greens, and stunning acrobatic jumps up to 6 feet, will

electrify any sportfisherman. And after the sport, the day's catch at dinner is a delicacy to be relished.

Bottom fish many species of snapper, including large pink and orange silky queens, among

our reefs, where grouper and jacks are also found in large numbers.

Fish the bottom to eat at the top, without spending much time and fuel to get to your prize.
